

February 21, 1986 LB 305, 481

a furlough, is given a furlough. You will recall that about a year ago there were some incidents involving people on furlough and this bill was a product of that. The committee recommends to this body an amendment that shaves the notice requirement down so that it must be to at least one law enforcement agency in the jurisdiction in which the person is authorized to temporarily reside and also jurisdiction through which the person is authorized to travel. That second provision has been deleted. So, in other words, at least one law enforcement officer has to be notified. The bill is limited to that extent by the committee amendment. I would ask the adoption of the committee amendment.

PRESIDENT: Is there discussion on the committee amendments? If not, the motion is to adopt the amendments. All those in favor vote aye, opposed vote nay. Have you all voted on the adoption of the committee amendments, please? Record the vote, Mr. Clerk.

CLERK: 25 ayes, 0 nays on adoption of the committee amendments, Mr. President.

PRESIDENT: The committee amendments are adopted. On LB 481, Senator Chizek. Senator Chizek, can you handle 481 for Senator Haberman?
